

Sino-Russian Ph.D. Students Innovation Forum on Alternative Energy

INTRODUCTION

China and Russia have perspective collaboration which includes various activities of cultural and people-to-people exchanges, aimed to deepen the understanding and friendship between the young people of the two countries. In order to enhance the communication between the young scientists of the two countries, to promote scientific and technological innovation and economic modernization ASRTU decided to organize the “Sino-Russian Ph.D. Students Innovation Forum”, to comprehensively promote high-level talent education programs of the two countries. We are looking forward to more Ph.D. students from both countries to attend the Forum.

Sino-Russian Ph.D. Students Innovation Forum is being organized with an aim to provide a forum for young researchers and engineers, to present papers on recent advances and to meet and exchange information on all aspects of alternative energy: materials, technologies and devices. The event will be held from July 13th to July 16th, 2018 in Ekaterinburg, Russia.

SCOPE OF THE FORUM

The conference will cover all aspects of alternative energy materials, technologies and devices including, but not limiting: (i) materials for energy generation, storage and conversion, (ii) technologies of advanced fabrication techniques of functional energy materials and devices, (iii) wind, solar, smart-grids and other devices (solutions).

Oral and poster presentations on the various topics will be included in the forum program. The selection of the presentation type will be made after the abstracts are reviewed by the scientific committee.

FORUM TOPICS

- materials for energy generation
- materials for storage and conversion
- advanced fabrication techniques of energy materials and devices
- wind, solar, smart-grids and other devices (solutions)
- economic and ecological aspects of alternative energy

WORKING LANGUAGE

- English

IMPORTANT DATES

Before 20th April 2018:

Please, send the filled registration form (Annex 3) and the copy of your passport

Before 15th May 2018:

Please, send the abstract of your report (Annex 4 - Abstract template)

14th-15th July 2018:

Please, provide to the organizing committee your paper for publication in the forum proceedings (Annex 5- Proceedings requirements, Annex 6 - Proceedings template)

FINANCIAL TERMS FOR THE PARTICIPANTS

Host takes transfer (airport/train station – hotel – airport/train station), meal, cultural program and local transportation expenses for the time of the forum.

The students will be provided with the accommodation in the university dormitory: 2 students per room.

Travel expenses are covered by the forum participants.
